Dr. Ken Snyder

Agendas

Monday / Tuesday

We are thrilled to welcome back catheter engineering expert, Damian Carr, for his standard 2-day workshop. Damian will walk attendees through numerous helpful insights for R&D concepts through commercial production. Everything is tied together at the end with a hands-on build.

8:30AM - Facility Opens
9AM - Workshop Begins
10:30 AM - Coffee, Tea & Pastries Provided
12:30 PM - Provided Lunch
3:00 PM - Afternoon Snack Provided
5:00 PM - Workshop Ends

Includes The R&D Catheter Handbook & BayCath Laminated Catheter Reference Sheet (\$225 total value)

Thursday / Friday

8:30AM - Facility Opens
9:00 AM - Workshop Begins
Prep, Live Case Review
Morning Snack Provided
10:00 AM* - Live Surgery Case Discussion w/ Physicians on Design Use
12:30 PM - Provided Lunch
Q&A Panel w/ 3-4 Surgeons
University-specific Presentations
Afternoon Snack Provided
Catheter Design Considerations
Cath Lab Tour
5:30PM - Workshop Ends

*Subject to Change based on Patient & Surgery Priorities

Includes The R&D Catheter Handbook & BayCath Laminated Catheter Reference Sheet (\$225 total value)
